You can use the eCandidat guide. If you still have difficulties despite checking the guide, contact the CIREFE reception.

I would like to enroll for two consecutive semesters.

Registration for the full year (semester 1 + semester 2, from september to june) is possible.

Send us your request by mail to cirefe-contact [at] univ-rennes2.fr (**cirefe-contact[at]univ-rennes2[dot]fr**), after receiving your admission letter for the september semester.

If you have already been enrolled at CIREFE, you must not use the platform eCandidat. *
