Values and commitments

International openness

The CIREFE welcomes students from many countries every year and encourages exchanges between cultures. This diversity constitutes a wealth and allows students to discover different perspectives while learning the French language.

Quality of education

The CIREFE is committed to offering high-quality French as a foreign language instruction, provided by specialized and experienced teachers. The training programs are designed to meet the linguistic and academic needs of international students.

Cultural discovery

Learning French also involves discovering the culture. The CIREFE offers cultural activities, workshops, and outings allowing students to discover the richness of French heritage and the Rennes region.
